Forms

Below is a list of standard forms used by the UN Pension Fund. The forms are formatted for US letter-sized paper, which is slightly smaller, but should print without problems on international standard, A4. The 'Type & Print' feature allows users to type their information directly into the PDF forms. Once the information is typed in, the form must be printed and signed. The UNJSPF currently accepts ONLY printed and signed forms. No e-mails or faxes are accepted. Forms are in PDF format. In order to view or print them, you will need Adobe Reader, version 11 or later. For printing the e-forms in PDF format, choose 'Actual Size' option under the Page Sizing & Handling section.

Please be aware that if you are in receipt of more than one benefit from the Fund, you must include all those Retirement numbers to which the change you are requesting shall apply, particularly for the following forms 'PF 23, PF23B, E10, E11, A2'

Employee Forms

A2-E - Designation of Beneficiary - English

Form used in Member Self Service

A2-F - Désignation de bénéficiaires d'un versement résiduel

Formulaire français disponible pour les démarches autonomes de nos membres.

- **The receipt date of the Certificate of Entitlement form** can be seen under Proof Documents. Don't worry if no date is provided under the field "Accepted Date" as it is not required/ needed; the importance is that you submitted, and the Fund received your CE form. If there was any issue with your CE, the Fund would reach out to you to address it.
- **Now the DCE can also be tracked here**, as well as inside the DCE App!

Proof Documents Tracking

In the section below you can track receipt by the Fund (CE) form and/or of your annual Digital Certificate of Entitlement (DCE). If the "Received Date" for the CE year in question is recorded your annual CE. For as long as at least one CE form issued inside the DCE App, has been recorded in the system in order for your case and no further action is required. For detailed information about the annual CE Exercise, please visit [clients/certificate-of-entitlement/](https://www.unjspf.org/for-clients/certificate-of-entitlement/) and for information about the DCE App, please visit <https://www.unjspf.org/for-clients/digital-certificate-of-entitlement/>.

You can now track both, receipt by the Fund of your annual CE FORM, or/and, successful issuance of your Digital CE (DCE) inside the DCE App.

Request for Emergency Funds

The Emergency Fund is utilized to provide financial assistance to beneficiaries who are currently receiving a periodic benefit from the Fund. It is intended to provide relief in individual cases of proven hardship owing to illness, infirmity or similar cases, including funeral arrangements. It is not intended to supplement pensions that may be considered insufficient, whether due to general or local economic situations or limited contributory service.

Please answer the following questions in order to determine if you meet the minimum requirements of applying for Emergency Fund assistance.

a) Are you currently receiving a periodic benefit from the UNJSPF? Yes/No

b) Your request is not due to educational expenses or loans. Yes/No

If the answer to either of the above questions is "NO" you are not eligible for Emergency Fund assistance.

Disclaimer: Upon hitting the submit button, please note that this request will be sent to the UNJSPF Client Services and cannot be modified. You will have thirty calendar days from the date of this request to submit all required documentation as provided in the Emergency Fund Letter located in the "Documents" section of your Member Self-Service account.

ALERT:

Some estimates generated by this tool are currently experiencing an issue. If you ran an estimate providing you with the amounts for a full Early Retirement benefit under Art. 29 and a full Deferred Retirement benefit under Art. 30 and the same entitlement amount is provided for both benefits, please disregard it. In that case, if you need an estimate, you may request it from the Fund via the "Contact Us" webpage (<https://contact.unjspf.org/>); in your request, please indicate your 9-digit UID number in the designated UID field, as well as the separation date for your estimate in the free text box at the bottom of the form. We will send the new estimate to your UNJSPF Member Self-Service (MSS) email address. Please know we are working to resolve this issue and thank you for your patience.

[Disclaimer / Clause de non-responsabilit ](#)

English

It can be useful to run an estimate of your benefit options for planning purposes or before making a final benefit election. To run your estimate, enter your proposed separation date in the designated box below. For detailed guidance on how to run and read estimates, check the Estimates page (<https://www.unjspf.org/help-tutorials/>). Once you have submitted your estimate request and the calculation is complete, you can view the estimate as a PDF file under the DOCUMENTS tab in MSS. Please take into consideration that the figures in the estimate are based on unaudited data, available to the Fund at the time of its running, as reported to us by you or your employing organization. In most cases, it will be a good estimate as long as there are no peculiar circumstances. Bear in mind that a full audit of your pension record will be conducted at the time of your actual separation from service, in the course of processing and establishing your final pension entitlement. If you need more advice on your estimate you may contact our Client Services via the online Contact Form: <https://www.unjspf.org/contact-us/>. If your separation date is within the next six months and you noted an issue with your estimate, please contact the Fund through the online Contact Form for assistance.

You can now submit official UNJSPF forms and supporting documentation to the Fund electronically by uploading documents inside this MSS tab. In that case you do not need to send original documents unless otherwise instructed by the Fund.

Disclaimer:

Use of MSS Document Upload is subject to acceptance of the [United Nations Joint Staff Pension Fund's Privacy Policy](#) and the [Member Self-Service Terms of Service](#). Use of MSS Document Upload signifies agreement to the terms and conditions stated therein.

Important Note: You cannot submit pension queries via this feature. All queries must be submitted via the established channels as provided on the Fund's website <https://www.unjssf.org/contact-us/>

MSS Document Upload Guidelines:

Please read the following instructions carefully to ensure the successful use of this new MSS Document Upload feature.

- All official UNJSPF forms will have to be downloaded, printed, dated and signed by you in ink before transforming them into a format that allows for uploading. The Fund does not accept forms with electronic signatures.
- All information that you provide must be true and complete.
- Note that there is no two-factor authentication through this process.
- By submitting UNJSPF forms electronically through MSS, you confirm that the signature on the form is your original signature.
- Any official UNJSPF form that includes a requirement for authentication of your signature by a UN or government official, or notary public, must be completed as instructed. Please refer to the Fund's website for guidance on signature authentication: <https://www.unjssf.org/authentication-of-signatures-and-docs/>.
- Before you can upload your document(s), you have to create a JPEG, JPG or PDF file of the duly completed document, which you must then save on your computer or device so that you can then upload the document to MSS via this feature.
- All documents must be uploaded in either JPEG, JPG or PDF format; no other file types are acceptable.
- Documents must be uploaded one by one as individual files (do NOT include several documents in the same PDF, JPG or JPEG file).
- You can upload a maximum of five (5) documents in one electronic submission. If you want to submit more than 5 documents, you must create a new submission.
- Documents are best uploaded using current versions of Google Chrome, Mozilla Firefox, Internet Explorer (IE) and Microsoft Edge browsers. We do NOT recommend the use of the Apple Safari (for MAC systems) browser, as it can cause uploading issues and failure.
- Please follow the steps explained in this paragraph to ensure successful document upload and submission.
Note that EACH document will have to be uploaded, one by one, following these steps: (i) click on the button "UPLOAD DOCUMENT" - this will take you to a different page where you will access an "UPLoad DOCUMENT feature" where you will be able to upload your document(s). At the bottom next to the "Select File" field, you click "CHOOSE FILE". There, (ii) select the PDF, JPG or JPEG file you wish to upload. Then, (iii) you click "UPLoAD" and you should now see the attachment name under "File Name" and a drop-down menu under "Description". (iv) Now you must label the uploaded document by selecting the appropriate document name from the "DESCRIPTION" drop-down menu (i.e. official form name or description of supporting document). If all is in good order, you can proceed to upload the next document by following the same steps (i) to (iv) described above.

Read these guideline explaining how to upload documents. A detailed step by step guide is available on the Fund's ['About Member Self Service \(MSS\)' webpage](#)

Informing the Fund of the death of a UNJSPF member

- Send an email to unjspf-deathrelated@un.org or,
- Inform the Fund via the online [Contact Us form](#)
- Call the Fund (details for the Fund's Contact Centre are provided on the website under [Contact Us](#))

- **Include the following information:**
 - Full Name of the deceased
 - The deceased's Date of Birth
 - The deceased's Date of Death
 - The deceased's UID or pension number
 - The deceased's official mailing address
 - If possible, include:
 - Contact details for the surviving family;
 - An original or a certified copy of the deceased's death certificate (which should be sent to the Fund as soon as possible).

- Once the Fund has been informed of the death of a retiree, it will **stop payment** of the benefit; if necessary, the Fund will reach out to the survivors to request **reimbursement of overpayments**.

- Once the **death certificate** has been received by the Fund, we will review the late retiree's case to determine whether there any potential survivors entitled to a survivor's benefit. If so, the Fund will reach out to the survivors to request submission of payment instructions and supporting documents. **If not on file, these documents are requested:**
 - Copy of the retiree's Death Certificate
 - Copy of Marriage Certificate
 - Copy of Spouse's Birth Certificate
 - Copy of divorce court document (if applicable)
 - Copy of valid, government issued photo ID bearing the name, date of birth, validity date, and the signature of the entitled survivor (e.g., passport or National ID card)
 - Original PENS.E/2 payment instruction form duly completed, date, and hand signed by the entitled survivor(s), with signature duly authenticated

Will my spouse be entitled to a survivor's benefit in the event of my death?

- If you were married at the time of separation from service and remained married to the same spouse until your death, your spouse will be entitled to a lifelong surviving spouse's benefit.
- A divorced surviving spouse is entitled to a survivor's benefit only if certain conditions are met.

For details, visit the webpage about [Survivors Benefits](#).

Under which circumstances would my spouse not be entitled?

- If you married after separation from service and did not purchase an annuity.
- If you separated from service before 01 April 2001 and chose a **Deferred retirement benefit with partial lump sum**.

How long will it take to receive the survivor's benefit after submitting all requested documentation?

- If all required documents are received in good order and no discrepancies are noted, standard processing time of a survivor's benefit is 15-20 business days.
- The surviving spouse's benefit is payable from the 1st day of the month following the death of the retiree.

How much will my surviving spouse receive?

- In general, the amount equals half of the retiree's full pension (before any lump sum commutation)
- This amount is **payable for life** and is adjusted for cost-of-living.
- A Certificate of Entitlement will need to be submitted each year to the Fund as proof of life to continue receiving the benefit

What can I do to facilitate the establishment of my spouse's pension after my death?

- Please establish a pension file for your spouse where you include print outs of [relevant pages](#) from the Fund's website, [contact details for the Fund](#), and copies of the relevant supporting documents as well as form Pens.E/2 which you can download from your [MSS account](#) or the [website](#).
- For form Pens.E/2: if you have a joint bank account with your spouse, and your bank agrees not to close it after your death, you can already fill the account details on page 2 of the Pens. E/2 form. Otherwise, your spouse will have to provide their own bank account details if/when the time comes.
- **PLEASE DO NOT SEND FORM PENS.E/2 TO THE FUND RIGHT NOW**, as it would confuse the Fund's systems, and likely the form would be outdated by the time we need it, and the Fund would have to request a new one then.
- **Right now, you can send** (and keep a copy in your pension folder) to the Fund a copy of your marriage certificate, birth certificates for you and your spouse and a copy of your spouse's valid, government issued photo ID (ideally, passport or National ID card). If you divorced from a spouse that was reported to the Fund in the past, then please also include copy of the Divorce Decree.
- Inform your spouse also about the future requirement to submit their annual proof of life to the Fund, in the form of the [Certificate of Entitlement](#).

If the child has already been deemed disabled and approved for a disabled child's benefit by the Fund:

- If following your death, the other parent is still alive, they will be the natural guardian. The child's benefit will be paid to that parent.
- If both parents are deceased, or the child does not reside with the other parent, then a legal guardianship needs to be arranged. If the child is in custody of a third party, the child's benefit will be paid to a legal guardian appointed for the child by the appropriate judicial authority in the child's country of residence. In that case the benefit will have to be paid into a Guardianship account.
- In some cases, a disabled child can handle their own financial affairs (based on proof from a treating physician). When the child turns age 16, the benefit can be paid directly to the child, if the child is able to handle their own financial affairs.

For more information: <https://www.unjspf.org/for-clients/disability-benefit/>.

For questions, please [contact us](#).

Preparation and reminders:

- If your disabled child is unable to handle their own financial affairs, please consider who will be the legal guardian in the event of your death.
- Please be aware that a disabled child benefit may be subject to periodic review. In the event of your death, someone will need to arrange for the medical reports to be submitted to the Fund.
- The Certificate of Entitlement will need to be submitted yearly to the Fund for the child benefit.
- See the booklet on Legal Guardianship and the type of bank account that is required. The benefit of a disabled child can only be paid to a guardianship/trust account in the name of or on behalf of the child, an account in the name of the child, or a joint account in the name of the legal guardian and the child.

If the child has not yet been approved for a disabled child's benefit by the Fund:

- If you are a retiree and in receipt of a child's benefit on behalf of your child, the child's benefit will normally stop at the end of the month during which the child reaches age 21. If the child is approved for disability, the benefit will be paid beyond age 21 and is usually subject to periodic reviews.
- If the child is disabled, you should declare this to the Fund at the time of separation, or as soon as possible thereafter. The case will need to be reviewed for approval by the Staff Pension Committee.

“The Certificate of Entitlement (CE)”

<https://www.unjspf.org/for-clients/certificate-of-entitlement/>

The Certificate of Entitlement (CE)

The Certificate of Entitlement (CE) is a yearly proof of life document to confirm you are alive and continue to be entitled to your monthly benefit from the Fund.

- Once you are in receipt of a regular monthly payment from the Fund, you must submit your annual proof of life in the form of the CE every year **or your benefit might get suspended**. Detailed and up to date CE information can be found on the following webpage: <https://www.unjspf.org/for-clients/certificate-of-entitlement/> - please check this webpage once your benefit has started into payment, so you are aware of the applicable timelines and requirements for this annual exercise.
- The annual CE can be submitted to the Fund in one of the following two ways:
 - either in biometric format inside the so-called Digital CE (DCE) mobile app **any time between 01 January and 31 December each year**, OR
 - by using a paper CE form which is sent to all retirees and beneficiaries concerned early July every year; a reminder is sent -normally at the end of October of that same year- to those who did not return the July CE form by then. The duly completed, dated and hand signed CE Form must be returned latest by 31 December.
- You must submit your DCE or your duly completed CE Form to the Fund at the latest by 31 December each year.
- If no DCE or CE Form is received from you by the Fund by end of December, and no other acceptable proof of life or email was received by the Fund indicating that you are alive, you risk the suspension of your monthly benefit payments effective **June of the following calendar year**.

The Certificate of Entitlement (CE) – your annual proof of life

Should I use the DCE mobile app OR the CE Form to submit my annual proof of life to the Fund?

- **It is entirely up to you!** You can choose each year whether to use the user friendly, secure Digital CE Mobile App (DCE app) to submit your annual CE, **OR** to submit your proof of life using the paper-based CE Form.
 - If you prefer to use the CE Form, you can either await the physical form mailed out by the Fund early July to all beneficiaries who must complete it, **OR**, if you are **NOT** on the Two Track, you can access the form inside the ‘Documents’ tab of your Member Self-Service (MSS) as of 01 July each year. You can download, print, complete, date and hand sign the form, and then return it to the Fund in one of the following ways:
 - submit it electronically inside the ‘Document Upload’ tab inside your MSS, or
 - send the original CE form (with your original signature) to the Fund by mail, or
 - remit it in person at the Fund’s offices in NY or Geneva).**In any case, before submitting your CE Form to the Fund, you must hand sign and date your form! Electronic signatures are not accepted.**
 - **If you prefer to use the DCE App, we encourage you to do so before 15 June each year.** In that case, we would **NOT** send you the paper based annual CE form. If we do not see your DCE issued in the App by 15 June, we will send you the CE Form, and you can choose which version of the CE to complete: the CE Form or the DCE inside the app.
 - If you issue your Digital CE inside the DCE app, you do **NOT** have to submit the CE form. If you remit your CE form, you do **NOT** have to issue your DCE inside the DCE app.
- It is enough to submit one acceptable proof of life per year.**
- More details about both ways of submitting your CE follow...

- The CE will be mailed to your official mailing address on file with the Fund.
- It will be sent mid-year (usually late June/early July)
- You must hand-sign and date the CE.
- Or, instead of waiting for the CE form to reach you by postal mail, you can access and download the CE Form inside your Member Self-Service (MSS) account under the 'Documents' tab, as of 01 July, provided you are not on the Two-Track.

How do I return the completed Certificate of Entitlement Form to the Fund?

You can return your dated and hand-signed CE Form to the Fund in one of the following ways:

The Certificate of Entitlement (CE) – Affixing your thumbprint

What should I do if I cannot sign the Certificate of Entitlement due to my age or a medical condition?

- You can affix your thumbprint in the indicated field and have it witnessed by a UN system official, an attending doctor, a Notary Public, or a Local Government Authority.
- The person witnessing the thumbprint must provide their name, official title and seal or stamp of office in the designated authentication box on the CE form.
- If you are using a thumbprint instead of your scripted signature for the first time, you must have your signature authenticated by your treating doctor and affix a medical certificate form the same doctor, on their official letter head, confirming the medical reason that is preventing you from using your usual signature.
- More details about signature authentication requirements are provided here: <https://www.unjspf.org/for-clients/authentication-of-signatures-documents/>

The Certificate of Entitlement (CE) – What to do if you did not receive you CE

What if I do not receive my Certificate of Entitlement? What do I do?

- *If you are NOT paid under the two-track system, **you can access your annual CE form inside your UNJSPF Member Self Service (MSS)**, under the ‘Documents’ tab where you can download the CE, print it, hand-sign it and then return a scanned copy to the Fund insider your MSS account under the ‘Document Upload’ tab.
Or you can use the [DCE App](#) to submit your CE.*
- Otherwise, if the above options are not possible for you, please contact the Fund asap, to let us know you are alive and did not receive your annual CE form. Write and send an **Original Letter to the Fund**, with your full name, current mailing address, the date, and your signature to inform the Fund your non-receipt of the CE and **confirm your mailing address** in that letter. Include your UID number!
- There is a review by the Fund prior to the suspension of benefits, and your pension would not be suspended if we have such original letter on file. In that case, we would send you another CE form to sign, as the barcoded CE is still required for audit purposes.

More info is available here: <https://www.unjspf.org/for-clients/certificate-of-entitlement/>

What if my pension is suspended due to the Fund's non-receipt of my CE, what should I do?

- As soon as you notice the suspension, contact the UNJSPF: <https://contact.unjspf.org/> or at paymentstopped@unjspf.org
- Your payment will be reinstated retroactively once we receive an acceptable, **signed and dated CE Form or other acceptable proof of life from you**. The reinstatement process is a fairly long process of approx. 3 weeks from the date of receipt of the acceptable proof of life from you, where the suspended payments will be reissued separately, and we will have to re-establish your monthly payments.
- **Important:**
 - **After Service Health Insurance (ASHI)** deductions can **NOT** be deducted once your payment is suspended! An extended period of benefit suspension can lead to termination of ASHI due to missing premium payments.
 - Also, Pension benefits will be **forfeited** if the suspension lasts 2 years or longer.

Reminder:

Access your CE Form under Documents in MSS (if NOT on the two-track)

- You can download your CE form inside your MSS account, if you are NOT paid under the Two-Track.
- The Two-Track system requires proof that you are residing in the country you declare as your country of residence.
- Currently, for those on the Two-Track the CE form is mailed to the official mailing address in the declared country of residence as part of the process to check that the retiree continued to reside there.

Let's have a look at the Digital CE (DCE) and the DCE Mobile App

<https://www.unjspf.org/for-clients/digital-certificate-of-entitlement/>

The Digital Certificate of Entitlement (DCE)

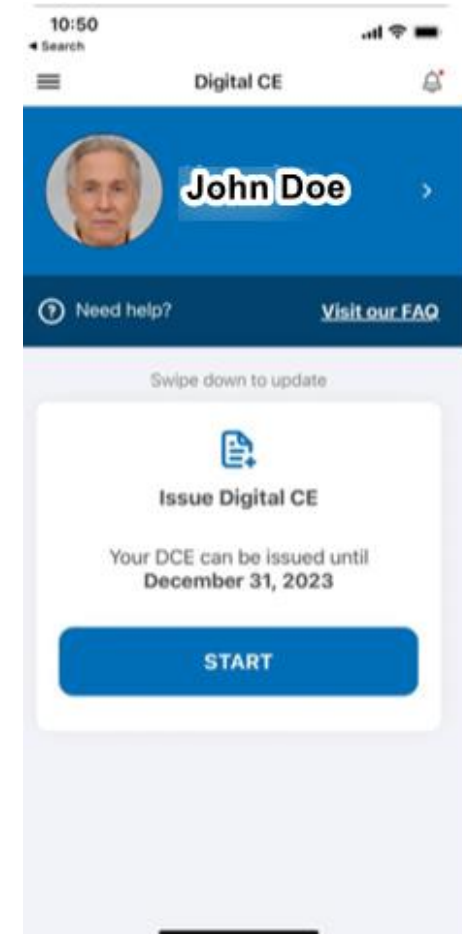

- The Fund has developed a **Digital CE (DCE) App**, which you can download on your mobile device (mobile phone or tablet).
- The Digital CE is an **optional way** to fulfill your yearly obligation to submit the CE as proof of life to the Fund.
- The Digital CE **can be used by all retirees and beneficiaries**, including those who are paid on two-track. The DCE App tracks the details of your location while you submit your Digital CE inside the app.
- If you submit the Digital CE, **you do not need to submit a paper CE** for that year.
- **You can submit your DCE anytime between 01 January and 31 December** to fulfill that year's CE requirement.
- **If you submit the DCE before 15 June, you will NOT receive the paper CE in the mail that year.** Each year you have the option to use the DCE App OR the paper-based CE form to fulfill your annual proof of life requirement. If you have not submitted the DCE by June, the paper CE will be mailed to you, however, **you will still have the option to submit the DCE, even if you received the paper CE form.**

The Digital Certificate of Entitlement (DCE)

UNJSPF
United Nations Joint
Staff Pension Fund

- To be able to issue your annual CE using the Digital CE (DCE) App, **you must first download the DCE App on your mobile device and complete the several step enrolment process**; this process includes a one-time video appointment with a Fund representative to confirm your identity. Before that appointment, to enroll, **you will need your nine-digit UNJSPF Unique ID (UID) number, a valid government-issued photo ID document, your cell phone number, and an email address**; you will also take your first **biometric photo** of your face. You will then be contacted by the Fund for a one-time video call on your cell phone, during which the Fund will authorize your use of the DCE App which will complete the enrolment process.
- Once your enrolment is complete and approved by the Fund, **you can submit your annual Digital CE inside the DCE App each year**. No further appointments will be required with the Fund.
- The DCE App runs on a mobile or tablet; **the app exists in English, French and Spanish**.
- The DCE App collects your **biometric data** by recording an image of your face.
- A **detailed step-by-step guide** is available on the Fund's website, explaining the DCE enrolment process, as well as an extensive Q&A, and a **DCE Support team** exists to assist with enrolment and any DCE related queries you may have at any point.

The Digital Certificate of Entitlement (DCE)

- Detailed information about the DCE App and DCE is available on our website, here: <https://www.unjspf.org/for-clients/digital-certificate-of-entitlement/>. On this webpage you can access a step-by-step DCE App enrolment guide, DCE FAQs, and other DCE relevant information.
- Key DCE resources are provided in English, French and Spanish language.
- **Should you need support with the DCE**, please write to: dce@unjspf.org
- To start, we suggest you watch a short video explaining the DCE and related process: <https://www.unjspf.org/resources/all-videos/>. All videos exist in English, French and Spanish.

- Only for changes in **intermediary banks** for cross-border payments, an email with the **name and SWIFT code** of the new intermediary bank is acceptable.

Submitting change of payment instructions PF23

Keep in mind regarding form PF23:

How long does it take the Fund to make the change?

- Generally, it take the Fund **15 business days** to implement a change to payment instructions.
- It **also depends on when we receive the request**. We close the payroll around the 9th or 10th of each month for the pensions due at the end of that month.

Example: Payroll closing on 9 January for payments due on 31 January 2025.

- Therefore, instructions received after the 7th of the month are normally processed for the following month's payroll (*i.e., for the July payroll in the example above*).

Beneficiaries should NOT close their previous account until they have received at least one payment in the new bank account!

Main take aways:

- **all UNJSPF benefits are adjusted for cost of living over time, in line with the provisions of the Fund's Pension Adjustment System (PAS)**
- **usually, when cost of living adjustments are applied, they are effective 01 April**

Cost-of-living adjustment (COLA)

How are COLA rates fixed?

What is the periodicity, the mechanism and base date for both USD and local track?

Who is in charge of this?

- Your initial benefit is adjusted over time for movements of the consumer price index in the United States or for your country of residence. If your benefit is on the dollar track, it will be adjusted periodically in accordance with the movement of the United States consumer price index (CPI). If you have opted for the two-track system, your pension amount will be adjusted also taking into account the movement of the CPI of your country of residence.
- Normally benefits are adjusted once a year, provided that the relevant consumer price index has moved by at least 2% since the date of the last adjustment. Adjustments are only made if the consumer price index has moved by 2% or more since the prior adjustment. If this is not the case, the CPI movement will be carried over and applied the following year.
- Adjustments are normally undertaken in April of the following year. However, in high-inflation situation, i.e. where the consumer price index has moved by 10% or more since the date of the last adjustment, benefits are adjusted semi-annually—on 1st April and 1st October.

Cost-of-living adjustment (COLA) as

- There was a 3.4% cost-of-living adjustment (COLA) to the US dollar track of periodic benefits for this year, effective 01 April 2024. This is in accordance with the UNJSPF Pension adjustment system and based on CPI (consumer price index) data from the Monthly Bulletin of Statistics (MBS) published by the UN Statistics Division.
- The UNJSPF is bound to use the CPI data in the Monthly Bulletin of Statistics (MBS) published by the UN Statistics Division, in accordance with the UNJSPF Pension Adjustment System.
- For those who are on the Two-track, the applicable COLA adjustments for all countries of residence was also applied effective 01 April 2024. Cost-of-Living Adjustment (COLA) letters with these details were issued by the end of April 2024.
- The Fund's Payments Section prepares the Cost-of-Living Adjustment (COLA) letters, also known as Quarterly Statements. These statements provide the quarterly exchange and COLA percentage applied annually to your benefit. They also detail the established monthly payable amount per quarter and the After Service Insurance Deduction, and the Total Net Payment Amount.
- If you have an MSS account, you can access your COLA letter in your MSS account under Documents. All others should have received their COLA letter by mail.
